

Who we are

The **Friends of the Folsom Library** was chartered in 1993 to support the city's new Folsom Public Library and advocate for community library services. Without the Friends' help, many popular and beneficial library programs would not exist.

How we help

The Friends' fundraising and volunteer efforts enable the library to offer a wide variety of programs and services that promote literacy, learning and fellowship for all ages. For many Folsom residents, these free resources are vital to their quality of life. Some examples:

- free public computers
- Summer Reading program
- children's story times
- homework assistance
- online research tools
- large-print reading room
- teen room furnishings
- book clubs
- First Fridays
- speakers and author visits

What we do

The Friends of the Folsom Library raises money to support free library services in the Folsom community. Our board of directors works with the library staff to determine the programs and materials most critically in need of funding.

Our primary fundraisers are three huge book sales in March, September and October. We also operate the BOOKtique book store inside the library with books, videos, CDs, one-of-a-kind jewelry, gifts and handmade cards.
